ALEXANDRIA CHRISTIAN ASSOCIATION. The regular monthly meeting of this organization was held last night, in their room on King

street. After the usual religious exercises, the proceedings of the last meeting, and those of the Standing Committee, were read and approved. Mr. Wm. R. Bushby was unanimously elected an active member of the association.

A letter from Mr. Scharf, consenting to give readings for the benefit of the society, was read; and, on motion, it was resolved that the President and the Committee on Lectures be empowered to make arrangements for said readings, and that Tuesday and Wednesday nights of next week be selected for that purpose. The chairman of the Executive Prayer Meeting Committee reported an increasing interest and attendance in the Sunday, daily and Queen

street prayer meetings. On motion, the action of the Alexandria Library Directory, with regard to the appointment of Mr. W. R. Bushby as Librarian, was confirmed, and he was requested to proceed at once to the work of placing the Library in order for the use of the citizens.

Mr. E. Speiden, on behalf of the Managers of the Orphan Asylum, presented their grateful acknowledgements, for the prompt action of the association, with regard to their late request, in the appointment of collectors for the various wards of the city.

The Committee on Printing were instructed to have five hundred lecture tickets printed for the use of the society.

On motion the Committee on Lectures were authorized to present to the clergy and editors of the city free tickets to Mr. Scharf's readings. After singing the Doxology, and the benediction pronounced by the Rev. Wm. F. Poulton, the association adjourned.

THE WEATHER has cooled off since yesterday -which yesterday, was too "warm for the season." There was a little thunder and some far off flashes of lightning, during a shower yesterday afternoon-and thus the spring opens! For some days past every thing has been propitious for the run of fish in the river-and very considerable quantities of rock and perch have been caught at the shores, and sent to Baltimore, Washington, Richmond, Fredericksburg and Alexandria. It said that all the neighboring markets have been well supplied.

C. & O. CANAL -The work of cleaning out the Chesapeake and Ohio Canal is progressing rapidly, and additional force of laborers being now engaged; and, it is expected that the work will be completed in a week or ten days, when the water will be let in and trade resumed upon this important channel. The resumption of the coal trade is anxiously looked forward to, and the necessary arrangements form its active prosecution here are being rapidly completed.

St. Patrick's Day was celebrated in Wash ington yesterday. The Catholic churches in the morning were crowded with people. The procession of the various societies was complete, and carried out to the entire satisfaction of all concerned. In the evening, several lectures and balls combined to form a fitting conclusion to the festivities of the day.

READINGS. - We are authorized to state that Mr. Henry Scharf, the accomplished elocutionist, will give Readings for the benefit of the Alexandria Christian Association and kindred objects, on Tuesday and Wednesday nights of next week. Particulars as to time and place, and selections to be read, will be given in a day

FISH.—But few fish are coming up, and the supply in market this morning was small .-Good perch and rock were selling at 40 cts. a bunch. There were a few arrivals of shad and bunch fish at the Fish Wharf yesterday evening, the shad selling at \$50 per hundred.

MESSRS. AVERY AND TAYLOR who were injured, yesterday morning, by being thrown from a buggy, on the Washington Turnpike, are, we are pleased to learn, much better, although the former suffers considerably.

BUTTER AND EGGS. -Butter has gone up to a high figure, and is in much demand. Prices are from 35 to 50 and even 60 cts. per lb., according to quality! Eggs are now selling at from 22 to 25 cts. per dozen.

BLIND TOM'S CONCERT, last night, was numerously attended, the hall being filled to its utmost capacity; and all present expressed great delight at the wonderful exhibition.

The scabbard, which was of gold, was stolen several years ago, it will be remembered, with a gold snuff-box and other jewels, a portion of which were subse-

quently recovered. On Monday a sale commenced at Eastern Branch Corral, of horses and mules; and yesterday a heavy sale of wagons, ambulances, &c., took place.
